

The background features a whimsical illustration of a farmer in a light blue shirt, teal pants, and a grey hat with a teal band. The farmer is carrying a pitchfork over their shoulder and holding a basket of vegetables (broccoli, orange, and white egg) in their left arm. They are standing on a green hill next to a wooden fence. Several orange butterflies with black markings are flying around. There are also some black dots and plus signs scattered in the sky. A teal wavy line is visible in the bottom left corner.
